LIST OF A/V USED BY THE SCHOOL

The most current version of this document available at www.drivertraining.ohio.gov

Ohio Administrative Code requirement: 4501-7-10 (B) (7) Not more than nine hours nor fewer than three hours of classroom training shall be devoted to showing educational videos, slides or films that relate to driver training. No videos, slides, films, or activities unrelated to safe driving practices, driver knowledge, or driver skill shall be used. 4501-7-11 (A) (6) No more than forty percent of the total classroom hours shall be devoted to showing educational videos, slides, or films that relate to commercial driver training. No video, films, or activities unrelated to safe commercial driving practices, commercial driver knowledge or commercial skills shall be used.

List all films, videotapes, DVD's or other similar items used for driver training with this driving school at any time during the report year. If additional pages are needed, photocopy this page and attach any additional pages to the back of this report. Please type all information.
