James Davis, Chair
State Board of Emergency Medical Services
1970 West Broad Street
Columbus, Ohio 43218

Dear Mr. Davis,

The Division of EMS Education Section requests the Board issue one certificate of accreditation to all currently accredited institutions to operate the same EMS training programs as under the prior certificates. Section 4765.17 of the Revised Code enables the Board to adopt rules allowing institutions to operate multiple levels of EMS training under one certificate of accreditation with a single expiration date.

The new certificate of accreditation would expire on the same date as the institution's initial certificate of accreditation. This request is consistent with section 4765.17 of the Revised Code and has been approved by legal representative, Heather Reid-Frient.

The Division of EMS Education Section proposes the following expiration dates:
