OIU to Liquor Permit Holders: All Happy Hours End at 9 p.m.

Agents with the Ohio Investigative Unit (OIU) would like to remind liquor permit holders to make sure all happy hours are ending at 9 p.m. and that price lists are accurate. Liquor permit holders who would like more information on happy hour and price lists rules should contact OIU to schedule an Alcohol Server Knowledge (ASK) course. For more information on the ASK class, log onto http://www.investigativeunit.ohio.gov/ask.stm.
