Dear Stakeholder,

You are invited to offer public comment as outlined in this notice regarding proposed changes to Chapter 4501:1-3 (Motor Vehicle Dealers and Salespersons), of the Ohio Administrative Code (OAC).

You are receiving this message pursuant to the requirements of Executive Order 2011-011K and Senate Bill 2 of the 129th General Assembly, which require state agencies, including the Ohio Department of Public Safety, Bureau of Motor Vehicles (BMV), to draft rules in collaboration with stakeholders, assess and justify any adverse impact on the business community (as defined by Senate Bill 2), and provide opportunity for interested parties to submit feedback regarding proposed rules.

Rules 4501:1-3-01 (Used Motor Vehicle Dealer Training) and 4501:1-3-02 (Used Motor Vehicle Dealer Training: Curriculum and Course Provider) are being proposed to implement recent changes to section 4517.05 of the Revised Code requiring all applicants for a used motor vehicle dealer's license to successfully complete a mandatory training course prior to making application for licensure.

Rule 4501:1-3-01 sets forth the statutory requirement for training and requires every applicant to provide evidence of its successful completion. Rule 4501:1-3-02 sets forth the requirements for becoming an authorized course provider, the curriculum and instructional content for the training courses, and the requirements for course administration.

The proposed rules and link to submit comments may be accessed electronically via BMV's small business regulatory website at http://publicsafety.ohio.gov/bmv_rules.stm.

All interested parties are invited to offer public comment at BMV-DLR.rules@dps.state.oh.us regarding the proposed changes. **Public comments may be submitted through 11:59 p.m. on March 19, 2014.**

Please copy the Common Sense Initiative Office, which governs the state's regulatory process, at CSIPublicComments@governor.ohio.gov on all public comments that you submit.

Sincerely,

Kathy Corrigan
Chief, BMV Dealer Licensing
