## Monday, April 15: Trauma Conference

Keynote speaker: **Jay A. Johannigman, MD, FACS**

**The Ohio Union, Great Hall Meeting Room**  
**1739 N. High Street**  
**Columbus, OH 43210**  
**8 a.m. - 5 p.m. (Registration opens at 7 a.m.)**

Dr. Johannigman graduated from Case Western Reserve University and subsequently completed a general surgery residency at University Hospital, Cincinnati, Ohio. From 1988 to 1990, Dr. Johannigman completed a Surgical Critical Care and Trauma Fellowship, also at University Hospital. Dr. Johannigman entered active duty military service at the United States Air Force Wilford Hall Medical Center in 1990. During the ensuing years, he served as Director of the Surgical Critical Care Service as well as Associate Director of the hospital's Trauma Service. In 1994, Dr. Johannigman returned to Cincinnati, Ohio where he has been a member of the Division of Trauma and Critical Care since that time.

We will hear from experts on a variety of topics, including:

- Genitourinary trauma
- Geriatric fractures
- Traumatic injuries on the battlefield
- Tranexamic acid in trauma
- Tree stand and other hunting season injuries
- Crush syndrome
- Burn injuries
- Victims of child abuse

Director of Trauma, Surgical Critical Care & Acute Care Surgery at University Hospital in Cincinnati, Ohio.

## Tuesday, April 16: GEMS Provider Course (Geriatrics for EMS)

**The Ohio Union, Great Hall Meeting Room**  
**1739 N. High Street**  
**Columbus, OH 43210**  
**8 a.m. - 5 p.m. (Registration opens at 7 a.m.)**

The proportion of the aged in society today is greater than ever before, and growing faster than any other segment of our population. Current indications are that approximately 34% of calls for emergency medical services, or 3.4 million emergency responses involve patients over the age of 60. GEMS represents the most credible and complete source of pre-hospital medical information for older adults. The GEMS course is innovative, comprehensive, and highly visual with:

- Case-based lectures
- Live action video
- Hands-on skill stations
- Small group scenarios

*Please note: Class size is limited to 30 participants.*

## Wednesday, April 17: Advanced Stroke Life Support (ASLS) Provider Course

**The Ohio Union, Founders Room**  
**1739 N. High Street**  
**Columbus, OH 43210**  
**8 a.m. - 5 p.m. (Registration opens at 7 a.m.)**

The ASLS Provider Course will train you to recognize the five main stroke syndromes, perform a focused evaluation, understand pre-hospital protocol, communicate clearly t-PA contraindications, witness information and neurologic exam. All participants will receive an ASLS certificate following completion of the course.

*Please note: Class size is limited to 30 participants.*

## Thursday, April 18: Operation: Street Smart (Drugs) and Operation: Street Smart for a New A.G.E. (Adult Gang Education)

Presented by: Franklin County Sheriff's Department

**The Fawcett Center, Conference Theater**  
**2400 Olentangy River Road**  
**8 a.m. - 5 p.m. (Registration opens at 7 a.m.)**

Learn how to recognize traditional street gangs, Hispanic street gangs, Hybrid and "Pop Up" gangs. Gang identifiers will also be discussed including graffiti and gang hand signs. Recommendations will be made for ways that public and law enforcement officials can combat the gang associated problems in our communities.

Current drug trends, terminology and paraphernalia will be covered in addition to warning signs to look for and ways to educate children who are at risk for becoming involved in drug-related activity.

## Friday, April 19: Why Teens Kill

Featuring: **Phil Chalmers**

**The Fawcett Center, Conference Theater**  
**2400 Olentangy River Road**  
**8 a.m. - 5 p.m. (Registration opens at 7 a.m.)**

Phil Chalmers is a leading authority on juvenile homicide and juvenile mass murder, has interviewed over 200 teen killers and school shooters, and has been studying youth culture and teen murder for 25 years. Phil is the author of numerous books and documentaries including his latest two book releases, "Inside the Mind of a Teen Killer" and "True Lies."

This course will teach attendees:

- the top ten reasons juveniles kill
- the six types of teen killers
- the warning signs that are often missed, and ways we can keep our schools and communities safe

Saturday, April 20 and Sunday, April 21: **Emergency Pediatric Care Provider Course**

Presented by: Nationwide Children's Hospital

**Longaberger Alumni House**  
**2200 Olentangy River Road**  
**Columbus, OH 43210**  
**8 a.m. - 5 p.m. (Registration opens at 7 a.m.)**

EMS practitioners need to be completely prepared to provide care for pediatric patients on their calls. Children can present with serious conditions resulting from accidents, falls, drowning or illness. In addition to providing current knowledge and training in proper treatment modalities, the course incorporates family centered care throughout all scenarios. Training encompasses lectures, hands-on skills practice and small group critical thinking discussions.

The National Association of EMTs developed the EPC course to address the full spectrum of emergency illnesses, injuries and scenarios that EMS practitioners might encounter. Be one of the first EMTs in Ohio to complete this course.

*Please note: You must participate in both days of this course to receive certification and class size is limited to 30 participants.*
