

The scheduled implementation of the One Card process that was announced to take place on January 4, 2011 has been postponed and re-scheduled. The anticipated date of implementation is now January 30, 2011. This will NOT change anything except that all those whose birthday's fall in the month of April, and whose Fire Service Certification is scheduled to expire in 2011, will now be able to renew and take advantage of the extended time.

We thank you for your patience in this matter. If you have any questions about this or any other certification matter please call our office at 1-800-233-0785 and ask to speak to John Kennington, Jan Greenlee or Renee Allen in the Certification Section.
