

# FIRE CONTINUING EDUCATION

**TOPIC: BUILDING CONSTRUCTION**

**WHERE: CSCC ( DESTINATION CHOSEN WHEN  
SIZE OF CLASS DETERMINED. EMAIL WILL BE SENT WITH  
CLASS LOCATION)**

**WHEN: SAT. Jan 26<sup>th</sup> 2013**

**TIME: 9:00 AM – 12:00 AM**

**COST: \$25.00 Per Person**

This course offers an introduction to present and past practices involved in building construction. It deals with important standard elements of buildings, the hidden dangers of old and new buildings, what influences structural stability of walls in fires, and how to look for and judge structural dangers. The relationships between construction materials and fire damage to a building are also presented.
