OHIO ADMINISTRATIVE CODE (O.A.C.) 4501:5-1-09 Registration of employees.

(A) Each licensee shall register his investigator and security guard employees with the department of public safety.

(B) Each licensee shall file an application to register a new investigator or security guard employee with the department of public safety no later than seven business days after the employee's name is posted on the licensee's payroll records. The licensee must post any employee's name on the licensee's payroll records before that employee works any assignment for the licensee. The licensee must submit, on forms provided by the department, verification of the employee's name, date of birth, and social security number as well as one readable set of fingerprints of the employee to be registered.

(C) Within ten business days after the termination of a registrant's employment, the licensee shall notify the department of public safety on forms provided by the department of such termination, and submit the registrant's identification card for cancellation.

(D) For purposes of this rule, "business day" does not include Saturday or Sunday. Filings postmarked on the applicable business day shall be considered to have been timely filed.

O.A.C. 4501:5-1-10 Issuance of I.D. card to registrant.

(A) It shall be the duty of every licensee licensed under the provisions of Chapter 4749 of the Revised Code to furnish each of his investigator and security guard employees with an identification card furnished by the department of public safety, and maintain a record thereof.

(B) The licensee shall inform all of his investigator and security guard employees on the first day of employment of all the registration and firearms training provisions of Chapter 4749. of the Revised Code as that chapter applies to such employees and shall ensure that all such employees are properly registered in accordance with sections 4749.06 and 4749.10 of the Revised Code.

(C) Each licensee which uses investigator or security guard employees who have not yet received the identification cards issued by the department of public safety, shall obtain a written waiver from each client pursuant to division (C) of section 4749.06 of the Revised Code. Under no circumstances shall an employee carry firearms while engaged in the licensee's business unless the licensee has submitted that employee's registration application and firearms certificate of qualification to the department and has received a firearm bearer notation on the identification card.

(D) Each employee shall produce his identification card upon the request of an authorized representative of the department of public safety or any law enforcement authority.

(E) The licensee shall be responsible for the use of the identification card by his employee, and shall return the card to the department of public safety upon termination of the registrant's employment.

(F) Each employee shall be required to return his identification card to the licensee upon the termination of his employment.

(G) All identification cards shall be considered to be, and remain, the property of the state of Ohio, department of public safety, and shall be returned to the licensee employer upon termination of the registrant's employment.

(H) At the end of each quarter, every licensee shall submit to the department of public safety a current list of registered employees.
