### **Investigative Unit, Fayette County Sheriff's Office Execute Search Warrant at Jeffersonville Carryout for Synthetic Drugs**

**(Columbus)** – Agents with the Ohio Investigative Unit (OIU) and deputies from the Fayette County Sheriff's Office have charged one person with selling synthetic drugs from a Jeffersonville area carryout. Agents and deputies executed a search warrant of the carryout Thursday afternoon.

Mandeep Kaur, 35 of Washington Court House, was charged with trafficking in controlled substances. Kaur was transported to the Fayette County Jail. Additionally, an arrest warrant has been issued through the Washington Court House Municipal Court.

"We received numerous allegations of trafficking in synthetic marijuana," Agent-in-Charge of the Columbus District Office SuAnn Cook said. "Unfortunately, we continue to see synthetic drugs like Spice being sold in Ohio."

In addition to the criminal charges, administrative charges have been filed against Multani & Saini, Inc., located at 220 State Street, in Jeffersonville. Administrative charges include:

- Four counts of drug sales;
- Five counts of drug possession;
- Two counts drug paraphernalia sales; and
- Two counts drug paraphernalia possession.

More charges may be filed at a later date. Administrative charges will be presented to the Liquor Control Commission for their consideration. Penalties for administrative violations could include fines and/or suspension, or possible revocation of the liquor permit.

*The Ohio Investigative Unit is a division of the Ohio Department of Public Safety. All agents are plain-clothed fully sworn peace officers. OIU is the only state law enforcement agency specifically tasked with investigating food stamp fraud crimes. Agents also investigate alcohol and tobacco violations.*
