### **Since July, 896 Students Have Attended an OIU Sober Truth Program**

Since July, the Ohio Investigative Unit has conducted 28 Sober Truth presentations to 896 students in the state.

The Sober Truth program is presented in schools and to civic groups throughout Ohio. The program is free and is targeted towards junior and senior high school-aged students. It stresses the dangers and consequences of underage drinking, including laws and penalties for breaking the law.
