

Regional BMV Training Exchange Program

Each of the seven Ohio Bureau of Motor Vehicles (BMV) regional reinstatement offices located in Toledo, Cleveland, Youngstown, Canton, Jackson, Cincinnati and Columbus, hosted a "Regional BMV Training Exchange Program" Wednesday, September 25, 2013.

Nearly 60 judges, magistrates, court clerks and law enforcement representing 25 courts and jurisdictions throughout the state attended. The program provided training on new legislation, including the BMV fee installment plan, reinstatement procedures, and also gave the attendees the opportunity to observe reinstatement operations.

This was the third and last scheduled program to be held this year with a total attendance of 131 people from 58 different courts and jurisdictions.
