OIU Reminds Liquor Permit Holders to Operate Only During Hours Posted on Liquor Permits

Agents with the Ohio Investigative Unit (OIU) would like to remind liquor permit holders to make sure they are operating within the hours posted on their permit. Selling or consuming alcohol outside of the designated hours is a violation of the liquor permit and may be subjected to administrative charges. Any liquor permit holders that would like more information on after-hours or Sunday sales violations, should contact OIU to schedule an Alcohol Server Knowledge (ASK) course. For more information on the ASK class, log onto <http://www.investigativeunit.ohio.gov/ask.stm>.
