(c) Demonstrates competency as a private investigator or security guard provider by passing an examination devised for this purpose by the director, except that any individually licensed person who qualifies a corporation for licensure shall not be required to be reexamined if the person qualifies the corporation in the same capacity that the person was individually licensed.

(e) Pays the requisite examination and license fees.

(2) A corporation may be licensed as a private investigator under a class B license, or as a security guard provider under a class C license, or as a private investigator and a security guard provider under a class A license, if an application for licensure is filed by an officer of the corporation and the officer, another officer, or the qualifying agent of the corporation satisfies the requirements of divisions (A)(1) and (F)(1) of this section. Officers and the statutory agent of a corporation shall be determined in accordance with Chapter 1701. of the Revised Code.

(3) At least one partner in a partnership shall be licensed as a private investigator, or as a security guard provider, or as a private investigator and a security guard provider. Partners in a partnership shall be determined as provided for in Chapter 1775. or 1776. of the Revised Code.

(B) An application for a class A, B, or C license shall be completed in the form the director prescribes. In the case of an individual, the application shall state the applicant’s name, birth date, citizenship, physical description, current residence, residences for the preceding ten years, current employment, employment for the preceding seven years, experience qualifications, the location of each of the applicant’s offices in this state, and any other information that is necessary in order for the director to comply with the requirements of this chapter. In the case of a corporation, the application shall state the name of the officer or qualifying agent filing the application; the state in which the corporation is incorporated and the date of incorporation; the states in which the corporation is authorized to transact business; the name of its qualifying agent; the name of the officer or qualifying agent of the corporation who satisfies the requirements of divisions (A)(1) and (F)(1) of this section and the birth date, citizenship, physical description, current residence, residences for the preceding ten years, current employment, employment for the preceding seven years, and experience qualifications of that officer or qualifying agent; and other information that the director requires. A corporation may specify in its application information relative to one or more individuals who satisfy the requirements of divisions (A)(1) and (F)(1) of this section.

The application described in this division shall be accompanied by all of the following:

(1) One recent full-face photograph of the applicant or, in the case of a corporation, of each officer or qualifying agent specified in the application as satisfying the requirements of divisions (A)(1) and (F)(1) of this section;

(2) Character references from at least five reputable citizens for the applicant or, in the case of a corporation, for each officer or qualifying agent specified in the application as satisfying the requirements of divisions (A)(1) and (F)(1) of
this section, each of whom has known the applicant, officer, or qualifying agent for at least five years preceding the application, and none of whom are connected with the applicant, officer, or qualifying agent by blood or marriage;

(3) An examination fee of twenty-five dollars for the applicant or, in the case of a corporation, for each officer or qualifying agent specified in the application as satisfying the requirements of divisions (A)(1) and (F)(1) of this section, and a license fee in the amount the director determines, not to exceed three hundred seventy-five dollars. The license fee shall be refunded if a license is not issued.

(C)(1) Each individual applying for a license and each individual specified by a corporation as an officer or qualifying agent shall be refunded if a license is not issued.

(3) An examination fee of twenty-five dollars for the applicant or, in the case of a corporation, for each officer or qualifying agent specified in the application as satisfying the requirements of divisions (A)(1) and (F)(1) of this section, and a license fee in the amount the director determines, not to exceed three hundred seventy-five dollars. The license fee shall be refunded if a license is not issued.

(C)(1) Each individual applying for a license and each individual specified by a corporation as an officer or qualifying agent in an application shall submit one complete set of fingerprints directly to the superintendent of the bureau of criminal identification and investigation for the purpose of conducting a criminal records check. The individual shall provide the fingerprints using a method the superintendent prescribes pursuant to division (C)(2) of section 109.572 of the Revised Code and fill out the form the superintendent prescribes pursuant to division (C)(1) of section 109.572 of the Revised Code. An applicant who intends to carry a firearm as defined in section 2923.11 of the Revised Code in the course of business or employment shall so notify the superintendent. This notification is in addition to any other requirement related to carrying a firearm that applies to the applicant. The individual or corporation requesting the criminal records check shall pay the fee the superintendent prescribes.

(2) The superintendent shall conduct the criminal records check as set forth in division (B) of section 109.572 of the Revised Code. If an applicant intends to carry a firearm in the course of business or employment, the superintendent shall make a request to the federal bureau of investigation for any information and review the information the bureau provides pursuant to division (B)(2) of section 109.572 of the Revised Code. The superintendent shall submit all results of the completed investigation to the director of public safety.

(3) If the director determines that the applicant, officer, or qualifying agent meets the requirements of divisions (A)(1)(a), (b), and (d) of this section and that an officer or qualifying agent meets the requirement of division (F)(1) of this section, the director shall notify the applicant, officer, or agent of the time and place for the examination. If the director determines that an applicant does not meet the requirements of divisions (A)(1)(a), (b), and (d) of this section, the director shall notify the applicant that the applicant’s application is refused and refund the license fee. If the director determines that none of the individuals specified in the application of a corporation as satisfying the requirements of divisions (A)(1) and (F)(1) of this section meet the requirements of divisions (A)(1)(a), (b), and (d) and (F)(1) of this section, the director shall notify the corporation that its application is refused and refund the license fee. If the bureau assesses the director a fee for any investigation, the director, in addition to any other fee assessed pursuant to this chapter, may assess the applicant, officer, or qualifying agent, as appropriate, a fee that is equal to the fee assessed by the bureau.

(4)(a) Subject to divisions (C)(4)(b), (c), and (d) of this section, the director shall not adopt, maintain, renew, or enforce any rule, or otherwise preclude in any way, an individual from receiving or renewing a license under this chapter due to any past criminal activity or interpretation of moral character, except as pursuant to division (A)(1)(a) of this section. If the director denies an individual a license or license renewal, the reasons for such denial shall be put in writing.

(b) Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded guilty to a misdemeanor that is not a crime of moral turpitude or a disqualifying offense less than one year prior to making the application, the director may use the director’s discretion in granting or denying the individual a license. Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded guilty to a felony that is not a crime of moral turpitude or a disqualifying offenseless than three years prior to making the application, the director may use the director’s discretion in granting or denying the individual a license. The provisions in this paragraph do not apply with respect to any offense unless the director, prior to the effective date of this amendment, was required or authorized to deny the application based on that offense.

In all other circumstances, the director shall follow the procedures the director adopts by rule that conform to division (C)(4)(a) of this section.

(c) In considering a renewal of an individual’s license, the director shall not consider any conviction or plea of guilty prior to the initial licensing. However, the director may consider a conviction or plea of guilty if it occurred after the individual was initially licensed, or after the most recent license renewal.

(d) The director may grant an individual a conditional license that lasts for one year. After the one-year period has expired, the license is no longer considered conditional, and the individual shall be considered fully licensed.

(D) If upon application, investigation, and examination, the director finds that the applicant or, in the case of a corporation, any officer or qualifying agent specified in the application as satisfying the requirements of divisions (A)(1)
and (F)(1) of this section, meets the applicable requirements, the director shall issue the applicant or the corporation a class A, B, or C license. The director also shall issue an identification card to an applicant, but not an officer or qualifying agent of a corporation, who meets the applicable requirements. The license and identification card shall state the licensee’s name, the classification of the license, the location of the licensee’s principal place of business in this state, and the expiration date of the license, and, in the case of a corporation, it also shall state the name of each officer or qualifying agent who satisfied the requirements of divisions (A)(1) and (F)(1) of this section.

Licenses expire on the first day of March following the date of initial issue, and on the first day of March of each year thereafter. Annual renewals shall be according to the standard renewal procedures contained in Chapter 4745. of the Revised Code, upon payment of an annual renewal fee the director determines, not to exceed two hundred seventy-five dollars. No license shall be renewed if the licensee or, in the case of a corporation, each officer or qualifying agent who qualified the corporation for licensure no longer meets the applicable requirements of this section. No license shall be renewed unless the licensee provides evidence of workers’ compensation risk coverage and unemployment compensation insurance coverage, other than for clerical employees and excepting sole proprietors who are exempted therefrom, as provided for in Chapters 4123. and 4141. of the Revised Code, respectively, as well as the licensee’s state tax identification number. No reexamination shall be required for renewal of a current license.

For purposes of this chapter, a class A, B, or C license issued to a corporation shall be considered as also having licensed the individuals who qualified the corporation for licensure, for as long as they are associated with the corporation.

For purposes of this division, “sole proprietor” means an individual licensed under this chapter who does not employ any other individual.

(E) The director may issue a duplicate copy of a license issued under this section for the purpose of replacement of a lost, spoliated, or destroyed license, upon payment of a fee the director determines, not exceeding twenty-five dollars. Any change in license classification requires new application and application fees.

(F)(1) In order to qualify a corporation for a class A, B, or C license, an officer or qualifying agent may qualify another corporation for similar licensure, provided that the officer or qualifying agent is actively engaged in the business of both corporations.

(2) Each officer or qualifying agent who qualifies a corporation for class A, B, or C licensure shall surrender any personal license of a similar nature that the officer or qualifying agent possesses.

(3) Upon written notification to the director, completion of an application similar to that for original licensure, surrender of the corporation’s current license, and payment of a twenty-five-dollar fee, a corporation’s class A, B, or C license may be transferred to another corporation.

(4) Upon written notification to the director, completion of an application similar to that for an individual seeking class A, B, or C licensure, payment of a twenty-five-dollar fee, and, if the individual was the only individual that qualified a corporation for licensure, surrender of the corporation’s license, any officer or qualifying agent who qualified a corporation for licensure under this chapter may obtain a similar license in the individual’s own name without reexamination. A request by an officer or qualifying agent for an individual license shall not affect a corporation’s license unless the individual is the only individual that qualified the corporation for licensure or all the other individuals who qualified the corporation for licensure submit such requests.

(1) The licensee or employee either has successfully completed a basic firearm training program at a training school approved by the Ohio peace officer training commission, which program includes twenty hours of training in handgun use and, if any firearm other than a handgun is to be used, five hours of training in the use of other firearms, and has received a certificate of satisfactory completion of that program from the executive director of the commission; the licensee or employee has, within three years prior to November 27, 1985, satisfactorily completed firearms training that has been approved by the commission as being equivalent to such a program and has received written evidence of approval of that training from the executive director of the commission; or the licensee or employee is a former peace officer, as defined in section 109.71 of the Revised Code, who previously had successfully completed a firearms training course at a training school approved by the Ohio peace officer training commission and has received a certificate or other evidence of satisfactory completion of that course from the executive director of the commission.

A certificate of satisfactory requalification is valid and remains in effect for twelve months from the date of the requalification.

(5) If division (A)(4) of this section applies to the licensee or employee, the licensee or employee carries the certificate of satisfactory requalification that then is in effect or any other evidence of requalification issued or provided by the director.

The director shall keep a record of all copies of requalification certificates the director receives under this division and shall establish a procedure for the updating of identification cards to provide evidence of compliance with the annual requalification requirement. The procedure for the updating of identification cards may provide for the issuance of a new card containing the evidence, the entry of a new notation containing the evidence on the existing card, the issuance of a separate card or paper containing the evidence, or any other procedure determined by the director to be reasonable. (B) The director may investigate, on the director’s own initiative, the actions or proposed actions of a class A, B, or C licensee, or registered employee of a class A, B, or C licensee to determine whether the person is, has been, or will be in violation of section 4749.13 of the Revised Code. The director shall investigate any of these persons if a verified written complaint is filed indicating that a person has violated, or is or will be violating, section 4749.13 of the Revised Code; the complaint is supported by evidence submitted with it; and the director determines that a prima-facie case exists that a violation of that section is being, has been, or will be committed by the person.

(C) The director may investigate, on the director’s own initiative, the actions or proposed actions of a person who is not licensed or registered under this chapter and who appears to be acting as a class A, B, or C licensee, or employee of a class A, B, or C licensee. The director shall investigate such a person if a verified written complaint is filed indicating that a person was, is, or will be acting as a class A, B, or C licensee or employee of a class A, B, or C licensee but is not licensed or registered as such under this chapter; the complaint is supported by evidence that is submitted with it; and the director determines that a prima-facie case exists that the person was, is, or will be acting in the alleged manner.

(E) The director may compel by subpoena witnesses to appear and testify in relation to investigations under this chapter and may require by subpoena duces tecum the production of any book, paper, or document pertaining to an investigation. If a person does not comply with a subpoena or subpoena duces tecum, the director may apply to the court of common pleas of Franklin county for an order compelling the person to comply with the subpoena or subpoena duces tecum or, for failure to do so, to be held in contempt of court.

(F) If, in an investigation under division (C) of this section, the director determines that a person is not a class A, B, or C licensee, or a registered employee of a class A, B, or C licensee, and that the person was, is, or will be acting in the alleged manner, the director may issue an order to the person to show cause why the person should not be subject to licensing or registration under this chapter. The director shall hold a hearing on the order, and if following the hearing the director determines that the person has engaged, or is or will be engaging, in activities requiring licensure or registration under this chapter, the director may issue a cease and desist order that shall describe the person and the activities that are the subject of it. The cease and desist order is enforceable in and may be appealed to a court of common pleas pursuant to Chapter 119. of the Revised Code.

(B) If a nonresident private investigator, security guard provider, or private investigator and security guard provider seeking licensure under this chapter submits with the application and accompanying matter specified in section 4749.03 of the Revised Code proof of licensure in another state, and if the requirements of divisions (A)(1)(a), (b), and (d) and, if applicable, (F)(1) of section 4749.03 of the Revised Code are satisfied and the nonresident meets all current requirements of the laws of the other state regulating the business of private investigation, the business of security services, or both businesses, the director may waive the examination requirement and fee of that section. This waiver authority may be exercised only if the director determines that the other state has a law similar to this division and extends to residents of this state a similar waiver of examination privilege.
