Strategies	Key Actions for <i>Ohio EMS 2015</i>
Goal 6: Definitive Care – Rehabilitation	
<i>Establish rehabilitation centers as active participants in Ohio’s trauma system resulting in coordinated post-acute care for trauma victims.</i>	
<p>6.1: Establish leadership for rehabilitation services within the inclusive trauma system.</p>	
	<p>6.1.1 [Prior to completion of strategy 1.3] Create purpose, responsibilities and goals for a Rehabilitation Subcommittee under Trauma Committee</p>
	<p>6.1.2 Identify stakeholders for trauma rehabilitation</p>
	<p>6.1.3 Establish Rehabilitation Subcommittee under Trauma Committee, with membership from stakeholders identified in 6.1.2</p>
<p>6.2: Review, revise, and implement the recommendations of the 2003 Post Critical Trauma Commission Report.</p>	<p>[Strategy dependent on 6.1.3]</p>
<p>6.3: Maintain standard of care and ensure continual improvement of rehabilitation services.</p>	<p>[Strategy dependent on 6.1.3]</p>

6.4: Rehabilitation centers and outpatient rehabilitation services provide quality data on trauma patients	[Strategy dependent on 6.1.3]
6.5: Rehabilitation oversight body to define and oversee the rehabilitation database.	[Strategy dependent on 6.1.3]
6.6: Development of a comprehensive rehabilitation database that is integrated within the Ohio Trauma System Registry.	[Strategy dependent on 6.1.3]

ical Services

Color Key:

- Blue = Completed
- Green = Significant Progress, On Schedule
- Yellow = Slow Progress, Delayed
- Red = No Progress, Significant Issues

Measure	Start Date	Assigned Completion Date	Key Process Owner	Current Month	Previous Month
A rehabilitation oversight body is present, meeting at least twice a year, by end of year 2. Rehabilitation services in the state are congruent with the needs of the trauma victims. Specific measurements to be defined. OTR-Rehabilitation data is used to evaluate post-traumatic rehabilitation care and patient outcomes. Formal written transfer agreement between all trauma centers and inpatient rehabilitation facilities.	4/1/12	Ongoing			
Scope of work exists	Done	Done	Nemunaitis
