<b>Call to order</b>	Meeting called to order at 10:05 am. Introductions were made.			
<b>Public Survey</b>	The survey of public knowledge and perceptions of the trauma system is currently underway at the State Fair. Response rate is on target for getting the desired 800 responses. Current results were presented by Tim Erskine.	Preliminary results will be presented at October meeting.	Erskine/ Frick	10/5/2012
<b>EMS/Trauma website</b>	The Trauma System section of the EMS Division website is being revamped to hold all of the working documents of the Framework implementation workgroups. The trauma Committee will ensure that the site is implemented as soon as possible.			
<b>Public Information</b>	The Public Information subgroup evaluated data from 20 states and found that only 5 have plans. These will be compared to what is in the Framework. Also, the Framework should be reviewed to identify any public information needs.	Review the Framework to determine any public information needs. Contact OIPP for possible partnership opportunities.	Wilczewski (review); Haas (OIPP)	10/5/2012

<p><b>Professional Education</b></p>	<p>The Professional Education subgroup found one the 7 special studies commissioned by the General Assembly in 2000 was "Evaluating Trauma Education." It was found to have significant potential for guiding future actions and should be reviewed to prevent reinventing the wheel. OSTNL had also previously developed a trauma curriculum for member hospitals and this will need to be revisited.</p>	<p>Review Special Study #7: Evaluating Trauma Education</p>	<p>All</p>	<p>10/5/2012</p>
