Salvage Dealer Rule Changes Effective January 1, 2011

Ohio Revised Code mandates that all Administrative Rules be reviewed every five years. During the most recent review 21 Salvage Rules were reviewed and many were changed. Most were simply combined to avoid duplication and/or the statutory authorities were updated. The changes to the two rules below may have a direct impact on your daily business activity and place of business.

For a complete listing of all rule changes, please visit our website: www.OhioAutoDealers.com, under latest news. To view all Laws and Rules directly related to your business, also on our website under Quick Links, select Ohio Motor Vehicle Laws & Rules.
