AGENDA TOPICS				
TOPIC	Welcome			
	The meeting was called to order at 10:17 AM by chairperson Mark Resanovich.			
ACTION ITEMS		PERSON RESPONSIBLE	DEADLINE	
TOPIC	Approval of Minutes			
	Mr. Resanovich asked for approval of the February meeting minutes; Mr. Gerstner made the motion, Dr. Zorko seconded, and the motion passed.			
ACTION ITEMS		PERSON RESPONSIBLE	DEADLINE	
TOPIC	CHEMPACK issues/TAT			
	<p>Mr. Resanovich stated that he would contact Matthew McCrystal at ODH to verify the TAT members and information recently provided.</p> <p>Mr. Resanovich asked Ms. Harris to provide an assessment of the recent Operation Bluelight drill. Ms. Harris said she was at the Hub during the exercise, and that the deployment seemed slow compared to other exercises. Ms. Harris added that the Hub experienced slow computer issues; that hospital contacts were not all notified; and that the Hub phone line was clogged due to only one line being identified to hospitals for confirmation.</p> <p>Mr. Resanovich noted that he was at the initial (sending) hospital, and that there were logistics issues due to multiple locations for the hospital. Mr. Resanovich added that the hospital plan was not available, and logistics for receiving the CHEMPACK for transfer and for the exact delivery location were not handled well.</p> <p>Mr. Resanovich asked Dr. Cunningham to provide her assessment. Dr. Cunningham noted that she was at the receiving hospital, and that communication was a concern at all levels. Dr. Cunningham added that all people included in the plan (including TAT members) needed to have at least two levels of contact information available, and stated that the hospital staff were not familiar with CHEMPACK and its use which will delay patient treatment.</p> <p>Ms. Harris added that emergency department staff needed training in the delivery of CHEMPACK medications; Mr. Friedmann indicated that field providers were also in need of this training. Mr. Resanovich stated that he would give an update once a final after action report was issued.</p>			

The Subcommittee worked on updating the training PowerPoint presentation for CHEMPACK.

TOPIC	SNS Surplus
	Mr. Resanovich stated that the available supplies have been received at the ODPS warehouse, and that they would be inventoried shortly.

ACTION ITEMS	PERSON RESPONSIBLE	DEADLINE

TOPIC	Active Shooter Statewide Guidelines & Education
	<p>Mr. Resanovich stated that he attended the Rescue Task Force session at Ohio's International Trauma Life Support conference, which was presented by Tri-Med Tactical. Mr. Resanovich noted that the course was a SWAT or TEMS-type introductory course, with some training for medicine in a hostile environment, and included a patient collection point inside the affected building. A discussion on the placement of the patient collection point ensued; Mr. Resanovich noted that he would make an effort to ask the instructor to attend a Subcommittee meeting, possibly the April 1 meeting.</p> <p>Mr. Resanovich noted that he would have a meeting with Director Born on March 9 to discuss a statewide educational presentation that would include EMS and law enforcement. Mr. Mankins indicated that he was presenting an RTF awareness training on May 17 as part of the Ohio EMS Conference at the Columbus Convention Center, and indicated that his training focused on the need for pre-planning, collaboration, and communication between all parties involved. He invited the members of the Subcommittee to attend if possible.</p>
