The conference planning committee has adopted Free The Girls as the conference corporate social responsibility project.

We are asking each participant to donate one or more used bras. Ask your co-workers for donations as well and bring all of them to the conference. Lets see how many we can collect.

**WHEN YOU DONATE A BRA,  
YOU GIVE A FORMER SLAVE  
A JOB. IT IS THAT SIMPLE.**

Free The Girls works alongside safe houses around the world that rescue women from sex trafficking and provides rehabilitation services. Your donation helps survivors of human trafficking make a living selling used clothing while they recover and build their new life.

We accept gently used bras of all sizes and styles, including sports bras, nursing bras, and camisoles. We ask that you do not buy new bras to donate. For additional information about Free The Girls go to [www.freethegirls.org](http://www.freethegirls.org)
