

First Responder Safety Training: *Natural Gas & Electric Vehicles*

Wednesday, June 23, 2010

9:00 am - 3:00 pm

Lunch Provided

Ohio Fire Academy

8895 East Main St

Reynoldsburg, OH 43068

Free Full Day Workshop:

Join Clean Fuels Ohio & the Division of State Fire Marshals for a free, full day workshop designed to educate first responders on safety issues related to Natural Gas and Electric powered cars and trucks.

Learn from expert instructors, inspect on site vehicles, and hear how many of these vehicles will soon be on Ohio's roads.

Agenda:

- Natural Gas Vehicle Safety Training
9:00 am – 11:00 am
- Lunch + Zoning & Code Enforcement Information
11:00 am – 12:15 pm
- Vehicle Inspections (Natural Gas & Electric Vehicles)
12:15 pm – 1:00 pm
- Electric Vehicle Safety Training
1:00 pm – 3:00 pm

About Clean Fuels Ohio:

Clean Fuels Ohio is a statewide non-profit working to increase the use of cleaner domestic fuels, vehicles and energy saving transportation technologies in order to improve air quality and health, reduce climate change, support Ohio's economy and curb dependence on imported petroleum.
