

Apply to become a chartered fire service training program?

To be considered for a fire service training program, use the application found on our website: <http://ems.ohio.gov/Forms/EMS0029.pdf>. Please indicate on your application the classification for which you are applying and include all supporting documentation required on the second page of the application. For more information on becoming a chartered fire service training program, review the Ohio Administrative Code: <http://codes.ohio.gov/oac/4765-11-03>.
