

Updating Personal Information Electronically

Go to Certification Renewal on our web page or click on this link:

<https://www.dps.state.oh.us/certrenewal/main.aspx>

Once there, login in using your username (e-mail) and password

Even if you do not have any certifications ready for renewal, you can click on update my personal information and enter the personal information you want to change

Once you change your personal information, the information automatically saves.

Any questions or problems with the Certification Renewal section or personal information update, please contact Certifications at 1-800-233-0785 or AskEMS@dps.state.oh.us.
