

Region IX RPAB
Minutes
March 13, 2007

Attendance: Dr. Feltoon, Murray Withrow, Herb de la Porte, Dr. Hausrod, Dr. Walsh, Dr. Collins, Dr. Tout, Dr. Levine

An update was given from the State EMS Committee. ID cards will be issued to all EMT's. The State is developing continuing education for Trauma and Geriatrics. EMT registration is now being done on line.

Dr. Collins gave an overview of topics discussed at the NAEMSP conference in January.

There was a discussion of transport destinations, with an emphasis on 12 lead EKG's being done in the field and transmitted to medical control. Patients with acute MI's should be transported directly to a facility that has interventional cardiology.

Diversion policies were discussed.

There was discussion concerning liability insurance for EMS medical directors.

Dates, times, and locations of future meetings was discussed.

Respectfully submitted,

Arnold Feltoon, MD, FACEP
Chairman, Region IX
