

Chunking the BRC

Dividing the Student Handbook into Sections

Print this page, then cut apart each section and paste into the Student Handbook on the appropriate page. When teaching a double class, these divisions will work. Assign the next group from the next set. The large class of 12 students (with three groups) will have four sessions, while the double class of 24 students (with four groups) will only have three sessions.

Set #1

Group A, pages 1 to 5
Group B, pages 6 to 9
Group C, pages 10 to 15

Show Training Aide #1

Welcome to the Ride

Show Training Aide #6

Search, Evaluate, Execute

Show Training Aide #2

The Ride and the Risk

Show Training Aide #7

Common Situations

Set #2
