

Donation Education Hits the Road!

Mobile Education Vehicle

Now Touring Northwest & West Central Ohio

- Offers hands-on education and compelling real life stories about donation.
- Recently won the "Grand Marshal" award from the City of Miamisburg Spring Fling parade, 2010.
- This is an educational and exciting addition to any parade, block party, work place, health fair, hospital, school, or church event.
- A FREE service!

Community Tissue Services, Life Connection of Ohio and Lions Eye Bank of West Central Ohio have created a unique educational experience to inspire Ohioans to give the gift of life and register as organ, eye and tissue donors.

From the moment you step inside, you are face to face with photos of transplant recipients and heroic family members of those who gave the gift of life. The Donate Life Vehicle provides factual information in an interactive way. The unit surrounds participants with many exciting tools to educate and inspire.

This experience comes complete with a computerized interactive human body, audio and video stories of Ohioans who have been touched by donation as well as an opportunity for participants to register as a donor and possibly SAVE LIVES!

To schedule the Mobile Education Vehicle to attend your event, please contact:
