4501-7-11 Training required for the operation of commercial motor vehicles.

(A) The following requirements apply to enterprises and instructors training drivers in the operation of commercial motor vehicles.

(3) Classroom instruction for beginning drivers shall total at least forty hours and include the use of the curriculum listed in this rule.

(6) No more than forty percent of the total classroom hours shall be devoted to showing educational videos, slides or films that relate to commercial driver training. No videos, films, or activities unrelated to safe commercial driving practices, commercial driver knowledge, or commercial driver skill shall be used.

4501-7-13 Records.

(B) In addition to student records listed in paragraph (A), the authorizing official or training manager of a driver training enterprise or school shall maintain a permanent file of the following records:

(3) A complete copy of the driver training curriculum used by the school and any supporting textbooks, articles, or other sources of driver training information used for classroom or behind-the-wheel instruction.
