Office of the
Adjutant General

Greetings,

Thank you for attending this town hall meeting, showing your support for Ohio's military Families. Our support efforts target all active and reserve component military Families with a special emphasis on Families who have supported their service member in the Global War on Terrorism. The Ohio National Guard has ten Regional Family Assistance Centers across the state. Their mission is to provide support to all military Families. Your attendance at tonight's meeting can foster a lasting relationship enhancing our efforts to support your fellow Ohioans on the homefront.

Thousands of Ohioans served their country in recent years. Their Families supported them from the homefront, capably supported by thoughtful individuals and communities. The Ohio National Guard recently deployed the single largest unit since World War II. We are again calling upon communities to gather around the Families of our service members who sacrifice so much.

I invite you to join our team in supporting Ohio's military Families. Please submit the attached form indicating your interest to support our Families. If you have any questions, please feel free to contact the Ohio National Guard Family Program Office at (614) 336-7358 or (800) 589-9914.

Sincerely,

Gregory L. Wayt
Major General
The Adjutant General
